## About Us

Established in 1985 and headquartered in the Bronx, New York, the Healthee Endeavors Corporation manufactures and markets natural herbal products that are formulated for optimal bio-availability and to enhance bodily homeostasis.

## Prevention

Preventing serious ailments with daily Internal Hygiene.

## Trinity of Internal Hygiene

As a recognized leader in the field of internal hygiene, Healthee's flagship cleansing system, the "Trinity of Internal Hygiene", is unrivaled for potency, purity, effectiveness and economy.

This system, the "Trinity of Internal Hygiene", consists of three powerful herbal products that are individually formulated to complement each other for maximum assimilation and total body cleansing.
